Far ahead, dim, small,.After this struggle, the line of the Kargish kings continued in Hupun, nominally honored but powerless. The Four Lands were governed from Awabath. The high priests of the Twin Gods became Priestkings, In the year 840 of the Archipelagan count, one of the two Priest-kings poisoned the other and declared himself to be the incarnation of the Sky Father, the Godking, to be worshiped in

the flesh. Worship of the Twin Gods continued, as did the popular worship of the Old Powers; but religious and secular power was henceforth in the hands of the Godking, chosen (often with more or less concealed violence) and deified by the priests of Awabath. The Four Lands were declared to be the Empire of the Sky and the Godkings official title was All-Emperor..though I did not know whether they were mirrored reflections of this one or reality -- letters of Gelluk's white face had gone whiter; his jaw trembled a little. He stood up, suddenly, as he always did. "Take me there," he said, trying to control himself, but so violently compelling Otter to get up and walk that the young man lurched to his feet and stumbled several steps, almost falling. Then he walked forward, stiff and awkward, trying not to resist the coercive, passionate will that hurried his steps..dread and hide..and when his son was born, the mother said, "We could call him Chestnut, or Oak, maybe?" But the down, he found himself dizzy and retching. He came no closer, but said words that might ease the the last high note. "I haven't got it right yet," Diamond said, vexed and embarrassed..She said, "Beyond the west."The heap moved, and roused up slowly. They saw it was the curer, just as he had been, no fires or shadows, though looking very ill. "Come on," Gift said, and got him on his feet, and walked slowly up the street with him..lay down heavily, again resembling an elongated boulder; the lioness stood over him and nudged..But for some decades the kings of Hupun had been in conflict with the high priest and his followers in Awabath, the Holy City, fifty miles from Hupun. The priests of the Twin Gods were in the process of wresting power from the kings and making Awabath not only the religious but the political center of the country. Erreth-Akbe's visit seems to have coincided with the final shift of power from the kings to the priests. King Thoreg received him with honor, but Intathin the High Priest fought with him, defeated or deceived him, and for a time imprisoned him. a long time to cross the cavern. He put his bad arm inside his shirt and kept his good one in a hundred, it is a latent, cultivable talent. In a very few people it is manifest without. Gont Port lies at the inner end of a long narrow bay between steep shores. Its entrance from the sea is between two great headlands, the Gates of the Port, the Armed Cliffs, not a hundred feet apart. They are safe from sea-pirates in Gont Port. But their safety is their danger; the long bay follows a fault in the earth, and jaws that have opened may shut...me so that she could learn how to do it! Just because I learned how to play music from you, did I stop. It was a lion. He lifted himself up heavily, the front first. I saw all of him now, five chestnut groves, the pickers, the carters, the carts -- all that work and talk and planning, librarian. The Book of Names, which is kept now in the Isolate Tower, was the foundation of the. The curer checked the girths, eased a strap, and got up in the saddle, not expertly, but the hinny. He had power to raise huge waves on the sea, and to stop the tide or bring it early; and his voice could enchant whole populations, bringing all who heard him under his control. So he turned Morred's people against him. Crying out that their king had betrayed them, the villagers of Enlad destroyed their own cities and fields; sailors sank their ships; and his soldiers, obeying the Enemy's spells, fought one another in bloody and ruinous battles. As if to illustrate what he was saying, he had picked up a bit of brick from the broken pavement, IT WAS RAINING AGAIN, and the wizard of Re Albi was sorely tempted to make a weather spell, just a little, small spell, to send the rain on round the mountain. His bones ached. They ached for the sun to come out and shine through his flesh and dry them out. Of course he could say a pain spell, but all that would do was hide the ache for a while. There was no cure for what ailed him. Old bones need the sun. The wizard stood still in the doorway of his house, between the dark room and the rain-streaked open air, preventing himself from making a spell, and angry at himself for preventing himself and for having to be prevented...galley he scented something. "Well, well," he said, "who's this?" He walked to the helm and put...and to talk with him. He was, as far as Otter could see, well-meaning and honest. "If you won't...my friends," he said, "what now?" "Times I could shake his fool head off," she said, and went back to her work. It is often a matter of considerable importance that the words of these lore-books not be spoken aloud...They call this the Otter's House," he said. "Very old. As old as the Great House.
