"I was never Cary Grant, to begin with," said Vanadium, still ceaselessly rolling the quarter across his fingers, "so I had no big emotional investment in my appearance. Cosmetic surgery would have added another year of recuperation time, probably much longer, and I was anxious to get after Cain. Seemed to me this mug of mine might be just the thing to scare him into an incriminating mistake, even a confession." With a portion of his profits from Tammy Bean's stock picks, Junior had bought a second painting by Sklent. Titled In the Baby's Brain Lies the Parasite of Doom, Version 6, it was so exquisitely repellent that the artist's genius could not be in doubt. "WOULD YOU LIKE TO BE MY BOYFRIEND?" asked Miss Velveeta, who had thus far shown no romantic inclinations.. Junior put the money on the desk. "Then get into the records of Family Services." The pewter bludgeon slammed into the back of his skull with a hard pack. The scalp tore, blood sprang forth, and the man fell as hard as Victoria had fallen under the influence of a good Merlot, although he went facedown, not faceup as she had done.. On Tuesday, less than twenty-four hours after Naomi's funeral, Knacker, Hisscus, and Nork--representing the state and the county held preliminary meetings with Junior's lawyer and with the attorney for the grieving Hackachak

clan. As before, the well-tailored trio was conciliatory, sensitive, and willing to reach an accommodation to prevent the filing of a wrongful-death suit. Testing Celestina's nerves as fully as Barty had tested his mother's, Angel pulled-levered -shinnied-swung herself so fast up through the tree, arriving at the boy's side while red streaks still enlivened a sky that was repainting itself purple. She stood in the crook of limbs with him, and her delighted laughter rang down through the cathedral oak. 1975 through 1978: Hare ran from Dragon, Snake fled from Horse, and '78 bounced to the beat, because disco ruled. The reborn Bee Gees dominated the airwaves. John Travolta had the look. Rhodesian rebels, grasping the dangers inherent in any battle between equals, had the manful courage to slaughter unarmed women missionaries and schoolgirls. Spinks won the title from Ali, and Ali won it back from Spinks. Considering his formidable size, his clothes ought to have served an image of virile masculinity: boots, jeans, red flannel shirt. His ducked head, slumped posture, and shuffling feet were reminders, however, that many young boys, too, dressed this way. He had not yet disposed of her personal effects. In the dark, he went to the dresser, opened a drawer, and found a cotton sweater that she had worn recently. For a long time, she sat alone in the dark living room, in the armchair that had been Joey's favorite, thinking about many things but returning often to the memory of Barty's dry walk in wet weather. He was filled with bitter remorse for having suspected Naomi of poisoning his cheese sandwich or his apricots. She had in fact adored him, as he had always believed. She would never have lifted a hand against him, never. Dear Naomi would have died for him. In fact, she had. Weird, this kid. Making him uneasy. All in white, with her incomprehensible yammering about talking books and talking dogs and her mother driving pies, and working on a damn strange drawing for a little girl. Considering the protection that it would afford him in a world full of warmongers, Junior considered the loss of the toe, while tragic, to be a necessary disfigurement. To his doctors and nurses, he made jokes about dismemberment, and in general he put on a brave face, for which he knew he was much admired. When at last he spoke, real grief, quiet but profound, softened his voice: "March first, three years ago, my wife and two sons-Danny and Harry, both seven, twins-were coming home from visiting her parents in New York. Shortly after takeoff ... their plane went down." just as the smile curved to completion, however, an awful thing happened. The humiliation began with a loud gurgle in his gut. Celestina stared at the small, brown face, opening herself to the anger and hatred with which she had regarded this child in the operating room. Angel cocked her head and studied his left hand, which he had closed while opening his right. She pointed. "It's there." THE DEAD DETECTIVE, grinning in the moonlight, a pair of silvery quarters gleaming in the sockets once occupied by his eyes. Leashed like a dog, he walked along, sullen and shivering with sickness and rage. He stared around him, seeing the stone tower, stacks of wood by its wide doorway, rusty wheels and machines by a pit, great heaps of gravel and clay. Turning his sore head made him dizzy. Barty looked at Angel, and Angel looked at Barty, and they dropped to their knees on the grass before their daughter. They were both grinning ... and then their grins stiffened a little. The striking resemblance between this artist and Seraphim, as well as the facts in the biographical sketch under the photo, argued that the two were sisters. "You can learn em." Junior, putting himself in the detective's place, could think of a few reasons for this visit to Seraphim's grave. Unfortunately, not one of them supported his contention that he was an innocent man. Frantically, he squirmed around on the floor until he was facing the entrance to the kitchen. Through tears of pain, he expected to see a Frankensteinian shadow loom in the hall, and then the creature itself, gnashing its fork-tine teeth, its corkscrew nipples spinning. "All under here's worked out long since" Licky said. And Otter had begun to be aware of the strange country under his feet: empty shafts and rooms of dark air in the dark earth, a vertical labyrinth, the deepest pits filled with unmoving water. "Never was much silver, and the watermetal's long gone. Listen, young'un, do you even know what cinnabar is?" Move, move, like a runaway train, leaving the dead nuns--or at least one dead musician--far behind. Not every coincidence, however, has meaning. Toss a quarter one million times, roughly half a million heads will turn up, roughly the same number of tails. In the process, there will be instances when heads turn up thirty, forty, a hundred times in a row. This does not mean that destiny is at work or that God-choosing to be not merely his usual mysterious self but utterly inscrutable-is warning of Armageddon through the medium of the quarter; it means the laws of probability hold true only in the long run, and that short-run anomalies are meaningful solely to the gullible. Murmuring on the edge of sleep, Barty spoke to his father in all the places where Joey still lived: "Good-night, Daddy." Junior didn't care which explanation was correct. Only one thing mattered: The Bartholomew hunt was at last nearing an end. On Wednesday, December 27, Junior met Google, the document forger, in a theater, during a matinee of Bonnie and Clyde. "Search me. But I didn't tell him different. The less he knows, the better. I can't figure his motivation, but if you were tracking this guy by his spoor, you'd want to look for the imprint of cloven hooves." Neddy's face didn't appear to be as pale as it had been earlier. An undertone of gray, possibly blue, darkened the skin. Somehow, Agnes knew that in his younger days, Obadiah had been a stage magician. Artlessly, she drew him out on the subject. Certain that he was overreacting, Tom nevertheless left the kitchen as a cop, not a priest, would leave it: staying low, knife thrust in front of him, clearing the doorframe fast. In his voice, he heard a tremor that had nothing to do with the hideous deaths in Effingham more than sixteen years previous. Based on the evidence, perhaps Sklent never laughed, regardless of how clever the joke. He scowled fiercely at the paintings in the brochure, returned it to Junior, and snarled, "Shoot the bitch." Nevertheless, Thomas Vanadium's hostile ghost, that terrible prickly bur of stubborn energy, wasn't done with Junior yet. Until Bartholomew was dead, the cop's filthy-scabby-monkey spirit would keep coming back and coming back, and it would surely grow more violent. He considered calling her, but he didn't know what he would say if she answered. One nurse and one nun brought Celestina into the creche behind the viewing window.
