"And you give yourself far too little credit," Salk continued gently. "There's no doubt in my mind that Perri was a hero. But she was married to

a hero, as well." At the end of the famous sermon, Celestina's father had wished to all well-meaning people that into their lives should fall a rain of benign effects from the kind and selfless actions of countless Bartholomews whom they would never meet. And he assures those who are selfish or envious or lacking in compassion, or who in fact commit acts of great evil, that their deeds will return to them, magnified beyond imagining, for they are at war with the purpose of life. If the spirit of Bartholomew cannot enter their hearts and change them, then it will find them and mete out the terrible judgment they deserve. By Friday morning, September 10, little more than forty-eight hours after the shooting, he felt good and was in fine spirits. The paramedic pumped the inflation cuff of the sphygmomanometer, and Junior's blood pressure was most likely high enough to induce a stroke, driven skyward by the thought that Naomi's love had been a lie. A blood test might prove that Junior was the father. Accusations might sooner or later be made against him by bitter and hate-filled members of her family, perhaps not even with the hope of sending him to prison, but solely for the purpose of getting their hands on a sizable part of his fortune, in the form of child support. After Agnes read the final words on the final page, Barty was drunk on speculation, chattering about what-might-have-happened-next to these characters that had become his friends. He talked nonstop while changing into his pajamas, while peeing, while brushing his teeth, and Agnes wondered how she would wind him down to sleep. The slur faded from his voice in minutes, but he suspected that straining too long to sustain this borrowed vision could result in a stroke or worse. At the front, a soft spotlight focused on the life-size crucifix. The only additional illumination came from the small bulbs over the stations of the cross, along both side walls, and from the flickering flames in the ruby glass containers on the votive-candle rack. Taking her mother's advice to heart, Celestina sighed. "All right. Let's just pray they catch him. But if they don't ... two weeks, and then the rest of the plan, the way you said, Tom. Except that I can't tolerate two weeks-in a hotel, cooped up, afraid to go into the streets, no sun, no fresh air." Fed up with them and with this exhibition, Junior half wished that he would again be stricken by violent nervous emesis. Even in his suffering, he would enjoy spraying these insistently appealing canvases with the reeking ejecta of his gut: criticism of the most pungent nature. "This was back on January 24, 1556," said Edom with unhesitating authority, for he had memorized tens of thousands of facts about the worst natural disasters in history. He didn't want to risk marrying weapon and silencer here in the hall, where he might be seen. Besides, complications could arise from being splattered with Neddy's blood. Aftermath was disgusting, but it was also highly incriminating. For the same reason, he was loath to use a knife. He didn't rely on sounds to help him find his way, though here and there one served as a marker of his progress. Twelve paces from his room, a floorboard squeaked almost inaudibly under the hallway carpet, which told him that he was seventeen paces from the head of the stairs. He didn't need that muffled creak to know exactly where he was, but it always reassured him. "I get peed off, and I miss some things terrible. But I'm not sad. And you've got to not be sad, either, 'cause it spoils everything." -and whenever the good Pharaoh was here in San Francisco, a few times each year, he always stopped by St. Anselmo's to entertain the boys--". Junior could neither speak nor even mewl in agony. All the saliva had been draining forward, out of his open mouth, for so long that his throat was parched and raw. He felt as though he had munched on a snack of salted razor blades that were now stuck in his pharynx. His rattling wheeze sounded like scuttling scarabs. Fear of the unknown is a weakness, for it presumes dimensions to life beyond human control. Zedd teaches that nothing is beyond our control, that nature is just a mindlessly grinding machine with no more mysteries in it than we will find in applesauce. Occasionally he woke in the night and heard himself murmuring the mantra aloud, which apparently he had been repeating ceaselessly in his sleep. "Find the father, kill the son." In April, Junior discovered three Bartholomews. Investigating these targets, prepared to commit homicide, he learned that none had a son named Bartholomew or had ever adopted a child. "I'm wondering," Nolly said, "if you're not an officer of the law anymore, in what capacity are you going to pursue Cain?" "I was raised to understand it," said Celestina, and when she looked across the room, she saw that her words had moved her mother. Shaking with a fear that had nothing to do with Junior Cain and flying bullets, or even with memories of Josef Krepp and his vile necklace, Tom Vanadium closed the sketch pad and put it on the window seat. He opened the window, and in rushed the susurrant of breeze-stirred oak leaves. With a cry of alarm, he bolted to the bathroom and made it with not a second to spare. He seemed to be on the throne long enough to have witnessed the rise and fall of an empire. "Yes. The dried root of a Brazilian plant, the ipecacuanha. It induces vomiting with great effectiveness. The active ingredient is a powdered white alkaloid called emetine." He said, "There's a whiteness in Barty's right pupil ... which I think indicates a growth. The distortions in his vision are still there, though somewhat different, when he closes his right eye, so that indicates a problem in the left, as well, even though I'm not able to see anything there. Dr. Chan has a full schedule tomorrow, but as a favor to me, he's going to see you before his usual office hours, first thing in the morning. You'll have to start out early." "I'll always know your face," he promised. "Even if you have to go away and you're gone a hundred years, I'll remember what you looked like, how you felt."
