Therefore, it's a piece of cake in that case the way you will understand this ebook without having to spend to surf and search for, experimentation around the book store.

down then and there and a dower contingent of fifteen purses, (258) so it might be uneth unto him to put her away, forasmuch as her father had given him fair warning, but he would not be warned..The woman who used to act as decoy for them once caught them a woman from a bride-feast, under pretence that she had a wedding toward in her own house, and appointed her for a day, whereon she should come to her. When the appointed day arrived, the woman presented herself and the other carried her into the house by a door, avouching that it was a privy door. When she entered [the saloon], she saw men and champions (131) [and knew that she had fallen into a trap]; so she looked at them and said, "Harkye, lads! (132) I am a woman and there is no glory in my slaughter, nor have ye any feud of blood-revenge against me, wherefore ye should pursue me; and that which is upon me of [trinkets and apparel] ye are free to take." Quoth they, "We fear thy denunciation." But she answered, saying, "I will abide with you, neither coming in nor going out." And they said, "We grant thee thy life." c. The Third Officer's Story dccccxxii. By Him whom I worship, indeed, I swear, O thou that mine eye dost fill, ii. 213.. . . . O friends, the East wind waxes, the morning draweth near; A plaintive voice (114) bespeaks me and I rejoice to hear..The following story occupies the last five Nights (cxv-cc) of the unfinished Calcutta Edition of 1814-18. The only other text of it known to me is that published by Monsieur Langles (Paris, 1814), as an appendix to his Edition of the Voyages of Sindbad, and of this I have freely availed myself in making the present translation, comparing and collating with it the Calcutta (1814-18) Text and filling up and correcting omissions and errors that occur in the latter. In the Calcutta (1814-18) Text this story (Vol. II. pp. 367-378) is immediately succeeded by the Seven Voyages of Sindbad (Vol. II. pp. 378-458), which conclude the work.. . . . i. King Ibrahim and his Son ccclxxi. ? To whom save thee shall I complain, of whom relief implore, Whose image came to visit me, what while in dreams I lay?. "Forget him," quoth my censurers, "forget him; what is he?" "If I forget him, ne'er may God," quoth I, "remember me!". So he did this, and when it was night, he covered the pit with a light covering, so that, whenas the vizier stepped upon it, it would give way with him. Then he sent to him and summoned him to the presence in the king's name, and the messenger bade him enter by the privy door. So he entered in thereat, alone, and when he stepped upon the covering of the pit, it gave way with him and he fell to the bottom; whereupon the king's brother fell to pelting him with stones. When the vizier saw what had betided him, he gave himself up for lost; so he stirred not and lay still. The prince, seeing him make no motion, [deemed him dead]; so he took him forth and wrapping him up in his clothes, cast him into the billows of the sea in the middle of the night. When the vizier felt the water, he awoke from the swoon and swam awhile, till a ship passed by him, whereupon he cried out to the sailors and they took him up.. Where lavender, myrtle, narcissus entwine, With all sweet-scented herbs, round the juice of the vine..As he and his father were thus engaged in talk, in came his mother and caught hold of him; and he said to her, "God on thee, let me go my gait and strive not to turn me from my purpose, for that needs must I go." "O my son," answered she, "if it must be so and there is no help for it, swear to me that them wilt not be absent from me more than a year." And he swore to her. Then he entered his father's treasures and took therefrom what he would of jewels and jacinths and everything heavy of worth and light of carriage. Moreover, he bade his servant Aamir saddle him two horses and the like for himself, and whenas the night darkened behind him, (65) he rose from his couch and mounting his horse, set out for Baghdad, he and Aamir, whilst the latter knew not whither he intended..But for the spying of the eyes [ill-omened,] we had seen, i. 50..So she arose and returned to her house, whilst El Merouzi abode in his place till the night was half spent, when he said to himself, 'How long [is this to last]? Yet how can I let this knavish dog die and lose the money? Methinks I were better open the tomb on him and bring him forth and take my due of him by dint of grievous beating and torment.' Accordingly, he dug him up and pulled him forth of the tomb; after which he betook himself to an orchard hard by the burial-ground and cut thence staves and palm sticks. Then he tied the dead man's legs and came down on him with the staff and beat him grievously; but he stirred not. When the time grew long on him, his shoulders became weary and he feared lest some one of the watch should pass on his round and surprise him. So he took up Er Razi and carrying him forth of the cemetery, stayed not till he came to the Magians' burying-place and casting him down in a sepulchre (42) there, rained heavy blows upon him till his shoulders failed him, but the other stirred not Then he sat down by his side and rested; after which he rose and renewed the beating upon him, [but to no better effect; and thus he did] till the end of the night.Sixth Voyage of Sindbad the Sailor, The, iii. 203.
