That changed with the years..The boy's drop-jawed stare irritated Hemlock, though he knew it shouldn't. Wizards are used to overweening confidence in the young of their kind. They expect modesty to come later, if at all. "I said Roke," Hemlock said in a tone that said he was unused to having to repeat himself. And then, because this boy, this soft-headed, spoiled, moony boy had endeared himself to Hemlock by his uncomplaining patience, he took pity on him and said, "You should either go to Roke or find a wizard to teach you what you need. Of course you need what I can teach you. You need the names. The art begins and ends in naming. But that's not your gift. You have a poor memory for words. You must train it diligently. However, it's clear that you do have capacities, and that they need cultivation and discipline, which another man can give you better than I can." So does modesty breed modesty, sometimes, even in unlikely places. He stood alert, uncertain.."How can you cure when you're sick?" she said..the outlay and the income, the profit and the loss..very lonesome. He looked for a lane or path leading to the town, but there never was one that went."If the Grove were cut, all wizardry would fail. The roots of those trees are the roots of knowledge. The patterns the shadows of their leaves make in the sunlight write the words Segoy spoke in the Making.".Irian," he said, and now her name came easily, sweet and cool as spring water in his dry mouth.."Why are we wasting time here?" he demanded, as Tern let the bucket down into the well. "Are you."There are. Where are you from?".the fountain..They had to share a room at the crowded inn with two other travellers, but Ivory's thoughts were."All right," I said..Rose was muttering a rote spell, but it was her hands and her little short sharp knife that did most of the work. The ewe bore the digging knife patiently, her opaque, amber, slotted eyes gazing into silence; only she stamped her small left front foot now and then, and sighed..The donkey leaned its head hard against his hand so that he would go on scratching the place just above its eyes and below its ears. When he did so, it flicked its long right ear. So when he parted from the donkey he took the right hand of the crossroad, though it looked as if it would lead back to the hill; and soon enough he came among houses, and then onto a street that brought him down at last into the town at the head of the bay..Through that link he could send his own strength, the Mountain's strength, to help.
