He stared at the companel where a screen showed a view from the Columbia District, where the SD guard commander had entered the Communications Center under a truce flag some minutes previously to talk with Borftein, and tried to separate the conflicting emotions in his head. Captain Jarvis, Lesley's adjutant officer, and Lieutenant Chaurez watched in silence while around the command post the duty staff averted their eyes and occupied themselves with their own thoughts. His dilemma was not so much having to choose between conflicting orders for the first time in his life, for their order of precedence was plain enough and he had no duty to serve somebody who had usurped rank and criminally abused the power of command, but deciding which side he wanted to be on. Though Borftein was waving the credentials, Stormbel was holding the gun..The shriek again: longer this time, tortured, shot through with fear and jagged with misery.."Perhaps not quite, but that was twenty years ago, remember. Times change, I guess."..On his right, a meadow bank grows, then looms, as the two-lane blacktop descends, while on his left,"Somebody has to run the Army. It's just his turn. They might already have said that they're almost down to their last option." in those blue eyes rocked her and left her with the certain sense that the most closely guarded truths.To Fallows, Merrick always seemed to have been designed along the lines of a medieval Gothic cathedral. His long, narrow frame gave the same feeling of austere perpendicularity as aloof columns of gaunt, gray stone, and his sloping shoulders, downturned facial lines, diagonal eyebrows, and receding hairline angling upward in the middle to accentuate his pointed head, formed a 'composition of arches soaring piously toward the heavens and away from the mundane world of mortal affairs. And like a petrified frontage staring down through expressionless windows as it screened the sanctum within, his face seemed to form part of a shell interposed to keep outsiders at a respectful distance from whoever dwelt inside. Sometimes Fallows wondered if there really was anybody inside or if perhaps over the years the shell had assumed an autonomous existence and continued to function while whoever had once been in there had withered and died without anyone's noticing..Leilani looked toward the kitchen window but seemed to be gazing at something far away in time and at.Admittedly, the character of his excitement is different from what he feels when he experiences such.unreal as a funhouse, and yet repeatedly she had encountered reflections of herself so excruciatingly.Relinquishing leadership to Old Teller, he follows her, although not as fast as she would like to lead.
