Worried that tears would frighten Barty, that indulging in a few would result in a ruinous flood, Agnes held back the salt tides. A mother's duty proved to be the stuff from which dams were built..Raise high the candlestick. In spite of the masking music, breathe shallowly and through the mouth. Remain poised, ready..The longer he crouched, head cocked, breathing silently through his open mouth, the more convinced Junior became that he had heard a man approaching. Indeed, the terrible conviction grew that someone was standing immediately in front of the dumpster, head cocked, also breathing through his open mouth, listening for Junior even as Junior listened for him..Among those present before the caravan returned were a few who should have known better than to allow this madness. Tom Vanadium, Edom, Maria. They stared up

at the boy, tense and solemn, and Agnes could only suppose that they, too, had arrived after the fact, with the boy already beyond easy recall. Dinner was available in the lounge. Junior enjoyed a superb filet mignon with a split of fine Cabernet Sauvignon. He was a man of medicine and science, who had been served well by hard logic and by an unwavering commitment to reason. He wasn't prepared easily to accept the notion that logic and reason, while essential tools to anyone hoping to lead a full and happy life, were nevertheless sufficient to describe either the physical world or the human experience. Most likely, Reverend White's ramblings were as greasy with sentiment and oily with irrational optimism as were his daughter's paintings, so Junior was in no hurry to learn the name of the radio program or to write for a transcript of the sermon. Pulling herself up in the bed, peering at him suspiciously, she said, "You've gone and memorized old Emily." He phoned her before leaving, to be sure she was home. She didn't work weekend shifts at the hospital; but maybe she would have gone out on this night off. When she answered, he recognized her seductive voice and devilishly muttered, "Wrong number." "I'd give anything if it hadn't happened," he said earnestly. And now a tortured note wrung wet emotion from his voice "I only wish it had been me who died." In the car again, a block from home, Barty said, "Maybe you could just not tell Uncle Edom and Uncle Jacob until Sunday night. They won't handle it real well. You know?" "That wasn't gossip," Grace insisted. "I was just telling you that Paul got the swing repaired and rehung." And though Barty was not shy, neither was he a show-off. He didn't seek praise for his accomplishments, and in fact, they were little known outside of his immediate family. His satisfaction came entirely from learning, exploring, growing. He found nothing especially gratifying, switched off the lights, and moved on to the living room. If Cain was coming home, he could glance up from the street and see lights ablaze here, so Vanadium resorted to a small flashlight, always carefully hooding the lens with one hand. Suddenly Junior intuited the identity of the man in the chair. Beyond question, this was the plainclothes police officer with the birthmark. "Oh, sure, I know," Mary said. "But when it's a bad place, you feel it before you go in. So you just go around to the next place that isn't bad. No big deal." Although he didn't believe in destiny, in fate, in anything more than himself and his own ability to shape his future, Junior couldn't deny how extraordinary it was that this woman should cross his path at this precise moment in his life, when he was frustrated to the point of cerebral hemorrhage by his inability to find Bartholomew, confused and nervous about the phantom singer and other apparently supernatural events in his life, and generally in a funk unlike any he had ever known before. Here was a link to Seraphim and, through Seraphim, to Bartholomew. The blonde was coming on to him, just as a score of other women had done since his arrival, so Junior tried to balance seduction with information gathering. Putting his hand over the hand with which she was gently massaging his thigh, he said, "I knew her brother in Nam. Then I got wounded, shipped out, lost touch. Like to find him." find the detective's unlikely theory and persistent questioning to be tedious. "I seriously doubt that a dose of ipecac would produce such a violent response as in this case-not pharyngeal hemorrhage, for God's sake. Lying on his side in bed, clothed and shod, knees drawn up, arms folded across his chest, hands pressed under his chin, like a precocious fetus dressed and waiting for birth, Junior tried to recall the chain of logic that had led to this long and difficult pursuit of Bartholomew. That chain led three years into the past, however, which to Junior was an eternity, and not all the links were still in place. "Bartholomew, huh?" asked Wally as he piloted them through banks of earthbound clouds. Although Zedd counsels living in the future, he recognizes the need to have full recollection of the past when absolutely needed. One of his favorite techniques for jolting memories loose when the subconsciously. Daylight had retreated from the windows. Winter night, wound in scarfs of fog, like a leprous mendicant, rattled out a breath as though begging their attention beyond the glass. Undiminished antiperistaltic waves coursed through his duodenum, stomach, and esophagus, and now he gasped desperately for air between each expulsion, without much success. Risking all, he turned his back on her and fled, and in spite of his expectations to the contrary, she allowed him to escape. STILL WEARING HIS white pharmacy smock over a white shirt and black slacks, striding purposefully along the streets of Bright Beach, under a malignant-gray twilight sky worthy of a Weird Tales cover, with ominous accompanying rhythm provided by wind-clattered palm fronds overhead, Paul Damascus headed home for the day. The narrow brick-paved serviceway lay five feet below. The maniac had knocked over trash cans while making his escape, but he wasn't tumbled among the rest of the garbage. "Then you only have to wait eighteen years," he said, opening the apartment door and stepping aside once more, allowing Celestina to precede him. Sometimes Barty could be fierce in his independence-his mother told him so-and now he rebuffed Angel too sharply. "I don't want to be waited on. I'm not helpless, you know. I can get sodas myself" By the time he reached the doorway, he felt sorry for his tone, and he looked back toward where the window seat must be. "Angel?". Traumatized by the violence in her mother's bedroom, not fully aware of what happened to Wally, Angel had been tearful and anxious. A thoughtful physician gave her a glass of orange juice spiked with a small dose of a sedative, and a nurse provided pillows. Bedded down on two pillow-padded chairs, wearing a rose-colored robe over yellow pajamas, she gave herself as fully to sleep as she always did, sedative or not, which was every bit as fully as she gave herself to life when she was awake. Beseechingly, with no intention of intimacy, he took Celestina's hands in his. "For years, as an obstetrician, I brought life into the world, but I didn't know what life was, didn't grasp the meaning of it, that it even had meaning. Before Rowena, Harry, and Danny went down in that airplane, I was already ... empty. After losing them, I was worse than empty. Celestina, I was dead inside. Phimie gave me hope. I can't repay her, but I can do something for her daughter and for you, if you'll let me." Along the hall to his room. Fast and low through the doorframe. Wary of the closet door standing two inches ajar. Here, now, the dinner guest, entering the kitchen. He carried the wineglass and the rose in his left hand. The Merlot was tucked under his arm. In his right hand was a small, brightly wrapped gift box. Fifteen feet separated them, with guests intervening. Yet this stranger's attention could have felt no more disturbingly intense to Junior if they had been alone in the room and but a foot apart. Although not quite as young as Bavo Poriferan, this artist was equally adored by critics and widely regarded as a genius. He went by a single and mysterious name, Sklent, and in the publicity photo of him that was posted in the gallery, he looked dangerous. On the second morning of Barty's illness, Agnes came downstairs and found him at the kitchen table, in his pajamas, happily applying unconventional hues to a scene in a coloring book. During the night, he had awakened, seen her in the chair, and covered her with a blanket. "Not so bad, two thousand," Tom heard himself say idiotically. "I mean, compared to nearly four million." Tom proved to be more useful than either a cop or a priest to Pie Lady Services, when he discovered a talent for money management that protected their funds from twelve percent inflation and in fact brought them a handsome return in real terms. At last he said, "And there he is, hands in front of his face, quarters bouncing off him, these kids and this old lady scrambling around him to snare some change." CELESTINA RETURNED TO Room 724 to collect Phimie's belongings from the tiny closet and from the nightstand. Chicane wasn't alone. Sparky Vox, the building superintendent, approached behind him and

hovered. Seventy-two yet as spry as a monkey, Sparky didn't walk so much as scamper like a capuchin.
