And it is no small honor to be invited by a wizard to be his student or apprentice. Hemlock, who had won his staff on Roke, was used to having boys come to him begging to be tested and, if they had the gift for it, taught. He was a little curious about this boy whose cheerful good manners hid some reluctance or self-doubt. It was the father's idea, not the boy's, that he was gifted. True Runes are not symbols only, but reifactors: they can be used to bring a thing or condition into being or bring about an event. To write such a rune is to act. The power of the action varies with the circumstances. Most of the True Runes are found only in ancient texts and lore-books, and used only by wizards trained in their use; but a good many of them, such as the symbol written on the door lintel to protect a house from fire, are in common use, familiar to unlearned people..cheeks.
