We're the ideal place to get for your publication that is called. And now, your own time to acquire this guide since on the list of compromises has already been ready. ? ? ? ? ? c. The Third Voyage of Sindbad the Sailor dxlvi.Girl, The Journeyman and the, ii. 17..Then said she, "O king, comest thou to a [watering-]place whereat thy dog hath drunken and wilt thou drink thereof?" The king was abashed at her and at her words and went out from her, but forgot his sandal in the house..So he sat down at the sharper's head, and said to him, 'Know, O Razi, that I will not leave thee till after ten days and their nights, wherein I will wake and sleep

by thy grave. So arise and be not a fool.' But he answered him not and El Merouzi [drew his knife and] fell to sticking it into the other's hands and feet, thinking to make him move; but [he stirred not and] he presently grew weary of this and concluded that the sharper was dead in good earnest. [However, he still misdoubted of the case] and said in himself, 'This fellow is dissembling, so he may enjoy all the money.' Therewith he addressed himself to prepare him [for burial] and bought him perfumes and what [not else] was needed. Then they brought him to the washing-place and El Merouzi came to him and heating water till it boiled and bubbled and a third of it was wasted, (40) fell to pouring it on his skin, so that it turned red and blue and blistered; but he abode still on one case [and stirred not]. Ibn es Semmak and Er Reshid, i. 195..King of Ind and his Vizier, The, ii. 105..When it was the tenth day, (now this day was called El Mihrijan (129) and it was the day of the coming in of the folk, gentle and simple, to the king, so they might give him joy and salute him and go forth), the counsel of the viziers fell of accord that they should speak with a company of the notables of the city [and urge them to demand of the king that he should presently put the youth to death]. So they said to them, "When ye go in to-day to the king and salute him, do ye say to him, 'O king, (to God be the praise!) thou art praiseworthy of policy and governance, just to all thy subjects; but this youth, to whom thou hast been bountiful, yet hath he reverted to his base origin and wrought this foul deed, what is thy purpose in his continuance [on life]? Indeed, thou hast prisoned him in thy house, and every day thou hearest his speech and thou knowest not what the folk say.'" And they answered with "Harkening and obedience." ? ? ? ? r. The Heathcock and the Tortoises dccccxiv.The End..Then he bade lodge him near himself and was bountiful to him and took him apart and said to him, 'Expound to me the story of the phial and whence then knewest that the water therein was that of a man, and he a stranger and a Jew, and that his ailment was indigestion?' 'It is well,' answered the weaver. 'Thou must know that we people of Persia are skilled in physiognomy (23) and I saw the woman to be rosy-cheeked, blue-eyed and tall. Now these attributes belong to women who are enamoured of a man and are distraught for love of him; (24) moreover, I saw her consumed [with anxiety]; wherefore I knew that the patient was her husband. As for his strangerhood, I observed that the woman's attire differed from that of the people of the city, wherefore I knew that she was a stranger; and in the mouth of the phial I espied a yellow rag, (25) whereby I knew that the patient was a Jew and she a Jewess. Moreover, she came to me on the first day [of the week]; (26) and it is the Jews' custom to take pottages (27) and meats that have been dressed overnight (28) and eat them on the Sabbath day, (29) hot and cold, and they exceed in eating; wherefore indigestion betideth them. On this wise I was directed and guessed that which thou hast heard.' They lighted down without the place and when they arose in the morning, they saw a populous and goodly city, fair of seeming and great, abounding in trees and streams and fruits and wide of suburbs. So the young man said to his sister Selma, 'Abide thou here in thy place, till I enter the city and examine it and make assay of its people and seek out a place which we may buy and whither we may remove. If it befit us, we will take up our abode therein, else will we take counsel of departing elsewhere.' Quoth she, 'Do this, trusting in the bounty of God (to whom belong might and majesty) and in His blessing.' The king took his wife, the mother of his sons, and what he might [of good] and saved himself and fled in the darkness of the night, unknowing whither he should go. When travel grew sore upon them, there met them robbers by the way, who took all that was with them, [even to their clothes], so that there was left unto each of them but a shirt and trousers; yea, they left them without victual or camels or [other] riding-cattle, and they ceased not to fare on afoot, till they came to a coppice, to wit, a garden of trees, on the shore of the sea. Now the road which they would have followed was crossed by an arm of the sea, but it was scant of water. So, when they came to that place, the king took up one of his children and fording the water with him, set him down on the other bank and returned for his other son. Him also he set by his brother and returning for their mother, took her up and passing the water with her, came to the place [where he had left his children], but found them not. Then he looked at the midst of the island and saw there an old man and an old woman, engaged in making themselves a hut of reeds. So he put down his wife over against them and set off in quest of his children, but none gave him news of them and he went round about right and left, but found not the place where they were..? ? ? ? ? Whenas in body ye from us are far removed, would God I knew who shall to us himself with news of you present!.The company marvelled at this story and the ninth officer came forward and said, 'I will tell you a right goodly story I heard at a wedding..? ? ? ? ? a. Nimeh ben er Rebya and Num his Slave-girl ccxxvii.Sharper, Story of the Old, ii. 187..? ? ? ? ? h. Ilan Shah and About Temam ccclxvi.Three men once went out in quest of riches and came upon a block of gold, weighing a hundred pounds. When they saw it, they took it up on their shoulders and fared on with it, till they drew near a certain city, when one of them said, 'Let us sit in the mosque, whilst one of us goes and buys us what we may eat.'" So they sat down in the mosque and one of them arose and entered the city. When he came therein, his soul prompted him to play his fellows false and get the gold for himself alone. So he bought food and poisoned it; but, when he returned to his comrades, they fell upon him and slew him, so they might enjoy the gold without him. Then they ate of the [poisoned] food and died, and the gold abode cast down over against them..On this wise I abode a while of time, every day shooting an elephant, whereupon my master came and carried it away, till, one day, as I sat hidden in the tree, there came up elephants without number, roaring and trumpeting, so that meseemed the earth trembled for the din. They all made for the tree whereon I was and the girth whereof was fifty cubits, and compassed it about. Then a huge elephant came up to the tree and winding his trunk about it, tugged at it, till he plucked it up by the roots and cast it to the ground. I fell among the elephants, and the great elephant, coming up to me, as I lay aswoon for affright, wound his trunk about me and tossing me on to his back, made off with me, accompanied by the others; nor did he leave faring on with me, and I absent from the world, till he brought me to a certain place and casting me down from off his back, went away, followed by the rest. I lay there awhile, till my trouble subsided and my senses returned to me, when I sat up, deeming myself in a dream, and found myself on a great hill, stretching far and wide and all of elephants' bones. So I knew that this was their burial-place and that they had brought me thither on account of the bones..? ? ? ? ? The folk witness bear of my worth and none can my virtues deny..Presently, up came a woman with a phial of urine, and when the [mock] physician saw the phial afar off, he said to her, 'This is the urine of a man, a stranger.' 'Yes,' answered she; and he continued, 'Is he not a Jew and is not his ailment indigestion?' 'Yes,' replied the woman, and the folk marvelled at this; wherefore the man was magnified in Galen's eyes, for that he heard speech such as was not of the usage of physicians, seeing that they know not urine but by shaking it and looking into it anear neither know they a man's water from a woman's water, nor a stranger's [from a countryman's], nor a Jew's from a Sherif's. (22) Then said the woman, 'What is the remedy?' Quoth the weaver, 'Pay down the fee.' So she paid him a dirhem and he gave her medicines contrary to that ailment and such as would aggravate the patient's malady..There was once in the land of Hind a king of illustrious station, endowed with understanding and good sense, and his name was Shah Bekht. He had a vizier, a

man of worth and intelligence, prudent in counsel, conformable to him in his governance and just in his judgment; wherefore his enviers were many and many were the hypocrites, who sought in him faults and set snares for him, so that they insinuated into King Shah Bekht's eye hatred and rancour against him and sowed despite against him in his heart; and plot followed after plot, till [at last] the king was brought to arrest him and lay him in prison and confiscate his good and avoid his estate. (77). On this wise, O King Shah Bekht," continued the vizier, "is the issue of eagerness for [the goods of] the world and covetise of that which our knowledge embraceth not; indeed, [whoso doth thus] shall perish and repent Nor, O king of the age, (added he) is this story more extraordinary than that of the sharper and the merchants."
